### **VERY IMPORTANT NOTICE**

It seems there was an incident at tonight's trial where one of the officials (observer) was verbally assaulted over what we believe to be dispute in marking. If such disputes do arise there are written procedures to resolve these, they are in place to protect the voluntary officials from this kind of assault and should be adhered to at all times.

It is also worth pointing out that many of our observers are junior and such verbal assaults will be considered as abuse of a minor. Anyone caught or reported to be abusing any official will be dealt with in the severest of terms. This may include reporting the individuals to the ACU with the possibility of nationwide bans from ACU events being imposed.

We can not run trials without this force of volunteers it is up to you riders to respect the officials and follow the laid down procedures in the event of dispute. We as a club try to run events that cater for all ages and abilities and above all we try to make the experience of riding a trials a fun and rewarding experience.

Thanks for your kind attention in this matter.
